

ASSOCIATION OF MATERNAL & CHILD HEALTH PROGRAMS

## **AMCHP 2019: Annual Conference Sessions Announced**

The Association of Maternal & Child Health Programs today released the schedule of workshops and skills-building sessions at the [AMCHP 2019 Annual Conference](#), to be held March 9-12 in San Antonio, Texas.

More than 800 maternal and child health leaders, researchers, and advocates will gather at the San Antonio Marriott Rivercenter to share practices, data, and ideas, building around the conference theme, "Investments in MCH: Strengthening Families and the MCH Workforce." The 58 workshops and 14 skills-building sessions are organized along subject matter tracks:

- Advocacy
- Adolescent Health
- Child Health
- Children and Youth with Special Health Care Needs
- Epidemiology, Data, Assessment, and Evaluation
- Family and Youth Engagement
- Health Care Financing and Coverage
- Health Equity
- Infant Health
- Life Course Approach
- MCH Systems Building
- Women's and Maternal Health
- Workforce Development and Leadership
