

**Now Accepting Applications for the Emergency Preparedness and Response Action Learning Collaborative**

AMCHP is working with CDC's Division of Reproductive Health to support states in ensuring that the needs of women of reproductive age, especially pregnant and postpartum women, and infants are incorporated in planning, preparedness, and response efforts in the event of a natural or manmade emergency. We are now accepting applications for the third cohort of the project. The deadline for application submissions is **September 18<sup>th</sup>, 2020 at 11:59 PM EST**. Please use these links to access the [call for applications](#) and the [application](#). A PDF version of the application can be found [here](#). If you have any questions, please do not hesitate to reach out to Brianna Lewis ([blewis@amchp.org](mailto:blewis@amchp.org)).
