

## Multiple Opportunities to Provide Feedback on AMCHP's Evidence Resources

### What is Innovation Station Anyway, and How Can it Help Me?

AMCHP has several resources to help maternal and child health staff search for, implement, and share evidence-based practices. This includes a searchable database of MCH practices.

**Were you aware? If not, we want to hear from you!**

Please consider completing a brief survey to help make our Innovation Station resources and technical assistance more visible and relevant to you. If you are interested in participating, please fill out the following survey link by **Monday, Oct. 14**. Thank you for helping us improve our resources!
