Lolita McLean, RDN, MPH, JD, Administrator, Children's Rehabilitation Service
Lisa McCormick, DrPH, Associate Professor, University of Alabama at Birmingham School of Public Health

**PB8: The Massachusetts Children and Youth with Special Health Care Needs Family Survey: Using Family Input to Drive Priority Setting and Action Planning for CYSHCN (Primary Track: CYSHCN)**

**Author(s):**
Susan Manning, MD, MPH, MCH Epidemiologist, CDC/MDPH
Nicole Roos, Massachusetts Department of Public Health, Bureau of Family Health and Nutrition
Christina Ratliff, Boston University School of Public Health
Marianna Litovich, , University of Massachusetts Donahue Institute
Christina Citino, University of Massachusetts Donahue Institute
Suzanne Gottlieb, Massachusetts Department of Public Health, Bureau of Family Health and Nutrition

**PB9: The Impact of a Transition Planning Tool (TPT) on the Core Transition Outcomes (Primary Track: CYSHCN)**

**Author(s):**
Albert Hergenroeder, MD, Chief of Service, Adolescent Medicine, Baylor College of Medicine

**PB10: Predicting Dental Caries in Very Young Children (Primary Track: Epidemiology/Data, Assessment, and Evaluation)**

**Author(s):**
Constance Wiemann, PhD, Director of Research, Baylor College of Medicine
Blanca Sanchez-Fournier, Program Manager, Baylor College of Medicine/Texas Children's Hospital
Sarah Graham, MPH, Senior Research Coordinator, Baylor College of Medicine
Jean Raphael, MD, PhD, Assistant Professor of Pediatrics, TexasChildrens/Baylor College of Medicine
Laura Warren, Executive Director, Texas Parent to Parent

**Author(s):**
Christine Silva, MPH, Epidemiologist, Massachusetts Department of Public Health
Karin Downs, RN, MS, MPH, MCH Director for the State Title V Programs, Massachusetts Department of Public Health
Susan Manning, MD, MPH, MCH Epidemiologist, Massachusetts Department of Public Health
Katie Stetler, MPH, Welcome Family Program Director, Massachusetts Department of Health

**PB12: Newborn Screening for Critical Congenital Heart Defects (CCHD) (Primary Track: Epidemiology/Data, Assessment, and Evaluation)**

**Author(s):**
Regina Grazel, MSN, RN, BC, APN-C, Project Coordinator, NJ AAP
Kim Van Naarden Braun, PhD, Epidemiologist, New Jersey Department of Health; Centers for Disease Control and Prevention
Mary Knapp, MSN, RN, Coordinator, New Jersey Department of Health

**PB13: Improving Maternal and Child Outcomes Through Statewide Incentive Program (Primary Track: Epidemiology/Data, Assessment, and Evaluation)**

**Author(s):**
Steven Chasteen, MNSc, RN, CPHQ, Director, Practice Transformation, Arkansas Foundation for Medical Care
AMCHP 2016 Annual Conference – Poster Presentations

PB14: Connecting Concentrated Disadvantage and Birth Outcomes to Enhance Program Targeting (Primary Track: Epidemiology/Data, Assessment, and Evaluation)

Author(s): Amanda Bennett, PhD, CDC Assignee in MCH Epidemiology, Illinois Department of Public Health

PB15: Project Leadership: Effecting Health Care Policy Change, One Parent at a Time (Primary Track: Family Involvement)

Author(s): Allison Gray, MA, Project Leadership State Liaison, Family Voices of California

PB16: Transforming Health Care Delivery for Women in the Postpartum Period (Primary Track: Women's and Infant Health)

Author(s): Christine Tucker, PhD, MPH, Lecturer, University of North Carolina, Chapel Hill
Matthew Zerden, MD, MPH, OBGYN Hospitalist & Clinical Assistant Professor, University of North Carolina, Chapel Hill School of Medicine and WakeMed Hospitals
Velma Taormina, MD, MSE, BA, Medical Director, Gaston County Department of Health & Human Services

PB17: Moving Beyond "Google Translate": What Massachusetts Families from Diverse Cultures Need for Effective Autism Services and Supports (Primary Track: Health Equity)

Author(s): Elaine Gabovitch, MPA, Director of Family and Community Partnerships, UMass Medical School - EK Shriver Center
Courtney Dutra, MPA, Research Associate II, UMass Medical School - EK Shriver Center

PB18: Adverse Childhood Experiences and Health-related Quality of Life in Adulthood: Revelations From a Community Needs Assessment (Primary Track: Life Course Approach)

Author(s): Abraham Salinas, MD, PhD, Research Faculty, University of South Florida College of Public Health
Jason Salemi, MPH, PhD, Assistant Professor, Baylor College of Medicine

PB19: Promoting Preconception Health through Pregnancy Intention Screening - Case Study of a Community-Wide Campaign in Southern Oregon (Primary Track: Life Course Approach)

Author(s): Maggie Sullivan, MPH, Executive Director, Health Care Coalition of Southern Oregon

PB20: Statewide Collaboration to Improve ASD Initiatives in Montana (Primary Track: Life Course Approach)

Author(s): Martin Blair, PhD, Executive Director, Rural Institute for Inclusive Communities: University of Montana
Ann Garfinkle, PhD, Associate Professor, University of Montana

PB21: "Be a Smart Mouth" Home Visiting and Oral Health: Perfect Together! (Primary Track: MCH Block Grant Transformation)

Author(s): Beverly Kupiec-Sce, PhD, RN, Director, Children’s Oral Health Program, New Jersey Department of Health
Lakota Kruse, MD, MPH, Medical Director, New Jersey Department of Health
Lenore Scott, LSW, Program Manager, New Jersey Department of Children and Families

PB22: Advancing the Pediatric Medical Home in States: Connecting MCH Transformation to Medicaid and Children’s Health Insurance Programs (Primary Track: MCH Systems Building)

Author(s): Michelle Esuqvel, MPH, Director, National Center for Medical Home Implementation; Director, Division of Children with Special Needs, American Academy of Pediatrics
Alex Kuznetsov, RD, Program Manager, National Center for Medical Home Implementation, American Academy of Pediatrics
Barbara Wirth, MD, MS, Project Director, National Academy for State Health Policy
Felicia Heider, Research Analyst, National Academy for State Health Policy
AMCHP 2016 Annual Conference – Poster Presentations

**PB23: Building Statewide Systems for Breastfeeding Support-The Texas Story** *(Primary Track: MCH Systems Building)*

**Author(s):**
- Julie Stagg, MSN, RN, IBCLC, RLC, State Breastfeeding Coordinator/ Women's and Perinatal Health Nurse Consultant, Department of State Health Services Office of Title V and Family Health

**PB24: The Early Success Coalition: Innovative Systems Building and Collective Impact Strategies for the Improvement of Women's and Infant Health in the Memphis Area** *(Primary Track: MCH Systems Building)*

**Author(s):**
- Laura Meyer, MA, Research Coordinator, The University of Tennessee Health Science Center
- Pam Connor, PhD, Professor, The University of Tennessee Health Science Center
- Simonne Nouer, PhD, Assistant Professor of Epidemiology, The University of Tennessee Health Science Center

**PB25: Oral Health During Pregnancy: Findings from the 2012 Los Angeles Mommy & Baby (LAMB) Survey** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Shin Chao, PhD, Senior Staff Analyst, MCAH
- Stacy Sun, MD, Resident, Johns Hopkins Hospital

**PB26: Severe Maternal Morbidity during Delivery Hospitalizations in Ohio, 2008-2013** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Cynthia Shellhaas, MD, MPH, Medical Consultant, The Ohio Department of Health

**PB27: Healthy Babies are Worth the Wait Consumer Education Initiative** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Darcy Dreyer, Associate Director of Program Services, March of Dimes
- Patricia Brantingham, Retired, Association of Perinatal Networks of New York State/Perinatal Network of Monroe County
- Cathy Pasqua, MS, Associate Director, Prematurity Campaign, March of Dimes
- Anne Jorgensen, RNC, MS, NNP, CEO, March of Dimes NY Program Evaluator, Neostar USA

**PB28: NFP in NYC: Using Evaluation Results to Keep Moms Engaged** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Marci Rosa, MPA, Senior Director Maternal Child Health, Public Health Solutions
- Allison Meserve, , Formerly at Public Health Solutions

**PB29: Updating the USDA National Breastfeeding Campaign for Today's Mothers and Infants** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Valery Soto, MS, RD, CLC, Nutritionist, USDA/Food and Nutrition Service

**PB30: Integration of Art Therapy into a Community-based Human Services Provider** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Joanne White, MSW, Director, Behavioral Health Department, Healthy Start, Inc.

**PB31: Promoting Oral Health During Pregnancy: What Health Professionals and Pregnant Women Need to Know** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Katrina Holt, MPH, MS, RD, FAND, Director, National Maternal and Child Oral Health Resource Center

**PB32: Translating Maternal Hemorrhage and Hypertension Findings to Action in New York State (NYS)** *(Primary Track: Women's and Infant Health)*

**Author(s):**
- Amanda Roy, MPH, Research Scientist, New York State Department of Health
- Kristen Lawless, MS, Co-director, New York State Perinatal Quality Collaborative, New York State Department of Health
- Marilyn Kacica, MD, MPH, Medical Director, Division of Family Health, New York State Department of Health
