E-mail: hgrason@hrsa.gov  
Website: navigator.mchtraining.net  

MCH Navigator is a new way to access free online training on topics aligned with MCH leadership competencies. A carefully selected collection of webcasts, instructional modules, and self-guided short courses cover the content most important to Title V staff and family advocates. Experience the MCH Navigator at the MCHB booth!
Administration for Children and Families  TABLE #16

370 L'Enfant Promenade, SW
Washington, DC 20447
Phone:  (202) 401-9215
Web site: acf.hhs.gov

The Administration for Children and Families (ACF) is a federal agency funding state, territorial, local, and tribal organizations to provide family assistance (welfare), child support, child care, Head Start, child welfare, and other programs relating to children and families. Actual services are provided by state, county, city and tribal governments, and public and private local agencies. ACF assists these organizations through funding, policy direction, and information services.

Agency for Healthcare Research and Quality  TABLE # 24

540 Gaither Road
Rockville, MD 20850
Phone:  (301) 427.1364
E-mail: info.ahrq.gov
Website: ahrq.gov

The Agency for Healthcare Research and Quality (AHRQ) is the lead federal agency charged with improving the quality, safety, efficiency, and effectiveness of health care for all Americans. Within the Department of Health and Human Services, AHRQ supports research to improve the quality of health care and promote evidence-based decisions.

Altarum Institute  TABLE # 35

1200 18th Street, NW, Suite 700
Washington, DC 20036
Phone:  (202) 828-5100
E-mail: Sheryl.Mathis@altarum.org
Website: altarum.org

Altarum Institute has a long and proud history of providing technical assistance, program evaluation, policy analysis, and assessment to the maternal and child health community. As a non-profit research and consulting institute we provide a wide range of services to national, state, and community-level maternal and child health partners.

American Association of Poison Control Centers  TABLE # 20

515 King Street, Suite 510
Alexandria, VA 22314
Website: aapcc.org

The AAPCC supports the nation’s 57 poison centers in their efforts to treat and prevent drug, consumer product, animal, environmental and food poisoning. Members staff the Poison Help hotline at 1-800-222-1222 that provides free, private, expert medical advice 24 hours a day, seven days a week, 365 days a year from toxicology specialists, including nurses, pharmacists, physicians and poison information providers. In addition, the AAPCC maintains the only poison information and surveillance database in the United States, providing real-time monitoring of unusual poisoning patterns, chemical exposures and other emerging public health hazards. The AAPCC partners with federal agencies such as HRSA and CDC, as well as private industry.

The Catalyst Center at the Boston University School of Public Health  TABLE # 17

715 Albany Street, Talbot 2 West, Room 239
Boston, MA 02118
Phone:  (617) 638-1936
Email: mcomeau@bu.edu
Web site: catalystctr.org

The Catalyst Center is dedicated to improving health care coverage and financing for children and youth with special health care needs by:

• Conducting policy research to identify and evaluate financing innovations
• Creating resources (publications, webinars)
• Providing technical assistance on health care financing policy and practice

Centering Healthcare Institute  TABLE # 11

89 South Street
Boston, MA 02111
Phone:  (857) 284-7570
E-mail: jbloomfield@centeringhealthcare.org
Website: centeringhealthcare.org

The mission of the Centering Healthcare Institute (CHI) is to change the paradigm of health services to a group care model in order to improve the overall health outcomes of mothers, babies, new families and all individuals across the life cycle. CHI promotes the Centering model to the general public and provides education, training and support for individuals and organizations throughout the world.
Child Welfare Information Gateway

TABLE # 25

9300 Lee Highway
Fairfax, VA 22031
Phone: (703) 934-3000
E-mail: info@childwelfare.gov
Website: childwelfare.gov

Child Welfare Information Gateway provides access to timely, practical resources that help child welfare, adoption and related professionals protect children and strengthen families.

Children’s Safety Network

TABLE # 34

43 Foundry Avenue
Waltham, MA 02453
Phone: (617) 618-2918
E-mail: sfogerty@edc.org
Website: ChildrensSafetyNetwork.org

The Children’s Safety Network (CSN), a national resource center for injury and violence prevention, is funded by HRSA’s Maternal and Child Health Bureau. CSN provides training and technical assistance to state maternal and child health programs to create an injury- and violence-free environment for children and their families.

CityMatCH

TABLE # 8

University of Nebraska Medical Center
982170 Nebraska Medical Center
Omaha, NE 68198-2170
Phone: (402) 561-7500
E-mail: citymch@unmc.edu
Website: citymatch.org

CityMatCH, the national organization of urban MCH leaders, provides educational and training opportunities for maternal and child health leaders. These include the annual CityMatCH Urban MCH Leadership Conference, the FIMR/HIV Prevention Methodology National Resource Center, the MCH Life Course Toolbox, Perinatal Periods of Risk, Action Learning Collaboratives, and CityLeaders.

Cribs for Kids

TABLE # 18

Suite 250 Riverfront Place
810 River Avenue
Pittsburgh, PA 15212
Phone: (412) 322-5680
E-mail: JBannon@cribsforkids.org
Website: cribsforkids.org

Cribs for Kids® is a national nonprofit with more than 350 Partner Programs throughout the country. Our program has lowered the incidences of babies dying in unsafe sleeping environments by providing “safe sleep” educational materials and cribs to families who cannot afford a safe place for their babies to sleep.

Data Resource Center for Child and Adolescent Health

TABLE # 49

707 SW Gaines Street, CDRC-P
Portland, OR 97239
Phone: (503) 494-1930
E-mail: cahm@ohsu.edu
Website: childhealthdata.org/home

The Data Resource Center for Child and Adolescent Health includes national- and state-based data on over 100 indicators from the National Survey of Children’s Health and the National Survey of Children with Special Health Care Needs. The Center’s easy-to-use interactive search feature allows users to select, view, compare and download national survey data results for every state and HRSA region.

Directors of Health Promotion and Education

TABLE # 31

1015 18th Street NW, Suite 300
Washington, DC 20036
Phone: (202) 659-2230
E-mail: info@dhpe.org
Website: dhpe.org

DHPE has been serving state and territorial health departments and their community partners for over 60 years through a coordinated program of training, technical assistance, and collaboration to strengthen public health capacity for health policy and systems change, improving health in the United States and achieving health equity.
Emergency Medical Services for Children National Resource Center  TABLE # 27

801 Roeder Road, Suite 600
Silver Spring, MD 20910
Phone: (301) 244-6300
E-mail: emscinformation@childrensnational.org
Website: childrensnational.org/emsc

The EMSC NRC was established to help improve the pediatric emergency care infrastructure throughout the United States and its territories. The NRC assists EMSC grantees, program partners, family advocates and the community in their efforts to help improve the care of children in the emergency medical setting.

Epilepsy Foundation  TABLE # 50

The National Center for Project Access
8301 Professional Place, East
Landover, MD 20785
Phone: (800) 332-1000
Email: Projectaccess@efa.org
Website: accessforepilepsy.org

The National Center for Project Access (NCPA) provides leadership, capacity building, resources and technical assistance around health care systems change and support for families and children with epilepsy. NCPA contributes to the body of knowledge on improving access to comprehensive, coordinated health care and related services for children and youth with epilepsy.

Geddes Production  TABLE # 33

PO Box 41761
Los Angeles, CA 90041
Website: geddesproduction.com

Go Beyond MCH  TABLE # 48

267 John Knox Road, Suite 101
Tallahassee, FL 32303
Phone: (850) 894-1754
E-mail: info@gobeyondmch.com
Website: gobeyondmch.com

Go Beyond MCH is an information and technology company that combines innovation and collaboration in order to develop solutions that strategically align the efforts and goals of maternal child and family health programs. We understand, advocate and support the mission of our clients and the MCH industry as a whole.

Health Resources and Services Administration, Federal Traumatic Brain Injury Program  TABLE # 12

4350 East West Highway
Bethesda, MD 20814
Phone: (877) 253-2087
E-mail: hrsa-tbitac@norc.org
Web site: hrsa.gov/gethealthcare/conditions/traumaticbraininjury/index.html

The Federal Traumatic Brain Injury (TBI) Program is designed to improve access to rehabilitation and other services for individuals with brain injury and their families through grants to state agencies and protection and advocacy systems. It resides at HRSA’s Maternal and Child Health Bureau within the U.S. Department of Health and Human Services. The Federal TBI Program helps state and local agencies develop resources so that individuals with TBI and their families will have accessible, available, acceptable, and appropriate services and supports.

HealthStyle Press  TABLE # 22

W175 N11117 Stonewood Drive, Suite 110
Germantown, WI 53022
Phone: (262) 532-4000 or (800) 783-2145
E-mail: sales@healthstylepress.com
Website: healthstylepress.com

HealthStyle Press publishes America’s Health Guides™ and Steps to Success Bookmarks designed to improve the health of women and children. Our materials promote healthy behaviors and encourage relationships with healthcare professionals. Stop by our booth for complimentary samples of our booklets and to learn how we’ve helped city, county and state health departments improve maternal and child health.

March of Dimes Foundation  TABLE # 6

1275 Mamaroneck Avenue
White Plains, NY 10605
Phone: (914) 997.4569
E-mail: pwilliamsthompson@marchofdimes.com
Website: marchofdimes.com/39weeks

Our products promote healthy behaviors that lead to healthy pregnancies and healthy babies. We also provide support to parents when a baby is born too soon or when there’s a loss. Our goal is to provide health professionals with the consumer and education products they need to improve the health of mothers and babies.
Maternal and Child Health-Public Health Leadership Institute (MCH-PHLI)  TABLE # 29
The UNC Gillings School of Global Public Health, CB #7445
The University of North Carolina at Chapel Hill
421 Pittsboro Street
Chapel Hill, NC 27599-7445
Phone: (919) 843-9388
E-mail: AliceW@unc.edu
Website: mchphli.org

MCH-PHLI is for those who want to lead change for MCH in the 21st Century. This year-long leadership development program is designed to significantly expand self-awareness and quickly build practical skills for effectively leading, managing people, and building partnerships to advocate for and create the MCH systems of tomorrow. This unique program will improve your leadership capacity and teach you how to create the kind of organizational culture that engages and motivates others.

MCH Library, National SUID/SIDS Resource Center, Georgetown University  TABLE # 26
2115 Wisconsin Ave. Suite 601
Washington, DC 20007
E-mail: info@sidscenter.org
Website: mchlibrary.info

MedImmune Advocacy Department  TABLE # 7
One MedImmune Way
Gaithersburg, MD 20878
Phone: (301) 398-0000
Website: medimmune.com

MedImmune Advocacy serves as a resource for national and regional organizations working together to positively impact disease awareness, education, public policy and access for premature infants and their families. Our mission is to partner with leading organizations to help provide a “voice” for one of America’s most fragile patient populations.

National Center for Ease of Use of Community-Based Services  TABLE # 44
100 Morrissey Boulevard
Boston, MA, 02125
Phone: (617) 287-4300
E-mail: CommunityBasedSrvcs@umb.edu
Website: communitybasedservices.org

The National Center for Ease of Use of Community-Based Services is one of six national centers addressing the core outcomes measures for success in serving children with special health care needs. Our mission is to advance policy and practice solutions that improve Indicator five, ease of use of community-based services.

National Center for Healthy Housing  TABLE # 45
10320 Little Patuxent Parkway
Columbia, MD 20144
Website: nchh.org

The National Center for Healthy Housing (NCHH) is the only national scientific and technical nonprofit organization dedicated to creating healthy and safe homes for America’s children. NCHH is committed to making homes safe from hazards, educating low-income families about housing-related health risks, and helping them protect their children.

National Center for Hearing Assessment and Management  TABLE # 19
2615 Old Main Hill
Utah State University
Logan, UT 84321-2615
Phone: (435) 797-1224
E-mail: diane.behl@usu.edu
Website: infanthearing.org

NCHAM is the National Resource Center funded by the Maternal and Child Health Bureau for the implementation and improvement of comprehensive, effective Early Hearing Detection and Intervention (EHDI) systems. Our goal is to ensure that all infants and toddlers with hearing loss are identified as early as possible and provided with timely and appropriate audiological, educational, and medical intervention.
National Center for the Review and Prevention of Child Deaths

1115 Massachusetts Ave.
Washington, DC 20005
Website: childdeathreview.org

The National Center for the Review and Prevention of Child Deaths provides technical assistance to state and local child death review teams to enhance their capacity to prevent deaths; manages a CDR case reporting system; and collaborates with national organizations to link child health and safety efforts with review programs.

National Family Planning and Reproductive Health Association

1627 K Street, NW, 12th Floor
Washington, DC 20006
Phone: (202) 293-3114
E-mail: info@nfprha.org
Website: nationalfamilyplanning.org

The National Family Planning and Reproductive Health Association (NFPRHA) represents the broad spectrum of family planning administrators and clinicians serving the nation’s low-income and uninsured populations. For over 40 years, NFPRHA members have shared a commitment to providing high-quality, federally funded family planning care, making them a critical component of the nation’s public health safety net.

National Fetal and Infant Mortality Review

Exhibit Hall Scavenger Hunts

Conference attendees will have the opportunity to win a full conference registration to the 2013 AMCHP Annual Conference and a $50 iTunes gift card by participating in the Exhibit Hall Scavenger Hunts! Collect colored stickers on both the Monday and Tuesday cards by visiting exhibitors each day. Cards and scavenger hunt instructions can be found in your conference bag. The scavenger hunts will culminate with drawings on TUESDAY, FEB. 14, at the luncheon general session. You do not need to be present to collect the prize.

Join in the fun and win!
