

The National Maternal and Child Oral Health Resource Center (OHRC) is pleased to announce **Oral Health Care During Pregnancy: A National Consensus Statement—Summary of an Expert Workgroup Meeting**. This document is intended to help professionals working in states and communities plan, develop, and implement programs to help ensure that pregnant women receive optimal oral health services. This resource was developed with support from the Maternal and Child Bureau, Health Resources and Services Administration. **Single or multiple print copies of the consensus statement are available at no charge from OHRC and can be ordered online.**
