

ASSOCIATION OF MATERNAL & CHILD HEALTH PROGRAMS

# Title V National Performance Measure Resource Sheet

## NPM 6: Developmental Screening

Percent of children, ages 9 through 71 months, receiving a developmental screening using a parent-completed screening tool

### SUMMARY OF STRATEGIES FROM STATE ACTION PLANS

#### 41 jurisdictions selected NPM-6

Common themes → **Training, quality improvement, awareness & education, coordination and integration**

- Improving screening among providers and health care practices through training, quality improvement and capacity building
- Increasing coordination among programs and systems that provide screening and linkages to services
- Working with families and communities through awareness & education campaign, Parent Partners, etc.
- Increasing screenings among early child care and education providers through trainings and technical assistance
- Promoting shared policies and data sharing to increase alignment among early childhood programs

### BEST PRACTICES

Below are highlights of related cutting-edge, emerging, promising and best practices located in [Innovation Station](#).
