- **RESOURCE:** THE CONVERSATION: Between Us, About Us. is a new campaign to provide Black communities with credible information about the COVID-19 vaccines co-developed by KFF (Kaiser Family Foundation) and the Black Coalition Against COVID. Black doctors, nurses and researchers dispel misinformation and provide accessible facts in 50 FAQ videos that deliver the information Black people are asking for about the COVID-19 vaccines. More videos and voices will be added to this one-of-its-kind living video library as new questions arise and information becomes available.
