Funding Opportunities

- **PMNCH:** Launch of COVID-19 rapid response and recovery small grant mechanism

  “PMNCH together with Management Sciences for Health, and the Global Financing Facility, is pleased to announce the COVID-19 Rapid Response and Recovery Small Grants Mechanism, which aims to support coordinated civil society advocacy for ensuring service continuity for women's, children's and adolescent's health in response to COVID-19. To learn more about the grants and eligibility criteria, visit – [here](#).

  The deadline for applications is midnight Eastern Time (12:00 AM EDT) on 11 June 2021”
