

# Adolescent & Young Adult Health Collaborative Improvement & Innovation Network (AYAH-CollIN)

*Advancing evidence-based/evidence-informed strategies to increase access to and the quality of preventive health care visits for young people*

## Who's the Team?

A solutions-oriented and deeply committed group intent on serving AYAs across the entire state.

## What's Already AWESOME for AYAH in WY?

An effort to educate providers on how to effectively communicate with adolescents through a workshop called "Unlocking the Mysteries of the Adolescent Brain."

# Wyoming

... is promoting preventive care for AYAs through innovative models of education for providers, parents, and youth. Their work will include starting a state-wide AYA Health Project ECHO to share knowledge with community providers.

## AYAs Front & Center!

AYA representatives on the Wyoming team are passionate about improving the quality of experiences in the clinic and excited about engaging their peers to develop marketing materials for the well-visit. They bring important perspectives to the team on chronic health conditions and on LGBTQ healthcare.

## A Word from the Team

*"Everyone has been talking about what a problem Early and Periodic Screening, Diagnostic and Treatment visits are, but we haven't had a chance to do anything about it. This CollIN gave us the motivation."*
