

4. How would you integrate those strategies/resources into the permanent work of your organization/program? What support, buy-in or additional help would you need?

5. What will your organization do in the next six (6) months to move forward in developing and implementing action steps?

6. What support would you need from your state/regional/national/membership organizations and partners?

Next Steps: Identify concrete steps to be taken in the next 1, 3, and 6 months to advance your program's action plan. *Feel free to use the table below.*

In the <u>next month</u> our organization will....		
Actions	Outcomes	Lead / Stakeholders
1.		
2.		
3.		
In the next <u>3 months</u>, our organization will...		
1.		
2.		
3.		

In the next 6 months, our organization will...

1.		
2.		
3.
